items/weaknesses.**

# Election Protection: What can I do?

Freedom of Information Act (FOIA) says we can request the name of every vendor or contractor for election equipment/support  
[voteinculpeper.info](https://voteinculpeper.info)  
[voteref.com](https://voteref.com): Check your own voting record!

## Data: Pollbook Clean Up

Look to [nceit.org](https://nceit.org) as a model  
[vafairelections.org](https://vafairelections.org)

*Easy to vote; hard to cheat*

Secure VA voter registration  
information

Search voter registration logs for  
duplicates, anomalies, etc. Cross-check  
with tax or credit records.

## Protect the Vulnerable

Work with  
[protectvulnerablevoters.org](https://protectvulnerablevoters.org)  
(connected with ACRU, American  
Constitutional Rights Union)  
*Protecting seniors and military votes*  
*Learn how to send statutory notice letters to  
potential abusers.*

Interface with this organization to  
find out specifics we can do

## Poll Workers: Nov 8

Poll watchers (must be authorized by  
CCRC, and training is available;  
attorney hotline available Nov 8)

Election Officials  
(trained through Registrar's Office--  
contact him in July--James Clements  
540-825-0652)

If Culpeper doesn't have openings, consider working  
in another county. Barby worked in Charlottesville  
because they are rife with fraud possibilities.

## Legislative Actions

Coming Soon: a chart of how our  
voting procedures work

Encourage legislation on Voter ID and  
other issues through our state  
delegates and senators

Concentrate on this in the fall and on  
the 2023 elections
